

Dear [Name of Romantic Client],

I hope this message finds you well and you enjoy our time together as much as I did. It is always a pleasure to share wonderful times with you.

I need a favor from you concerning finances. Currently, I need to rectify my bank issues to regain access.

So, here is the total amount I need:

Total: \$[Total Amount]

If you could, I would love you to create a credit card for me. You can then fund it and send me the details so I spend directly from there. I would greatly appreciate it.

I look forward to our next adventure together. Please let me know if there are any issues with the funding.

Warm Regards,

[Your Name]
