

"Dear [Romantic Client's Name],

I hope this message finds you well. I have been having a wonderful time with you on our romantic getaway and I'm looking forward to creating more beautiful memories together. However, as a military living on a fixed income, I write to ask for additional financial support for this escapade.

Attached is a breakdown of the expenses of this vacation, totaling [amount]. I would appreciate it if gifted me half the amount. Please let me know if this is okay for you, and if so, how you would prefer to send it.

Warm Regards,

[Your Name]
